

Sunday Evening Home Worship Guide

Open with prayer for God's wisdom to be given.

In our residential neighborhood, Fairfield, people tend to get turned around on a regular basis. Most of the streets look the same, and landmarks repeat more often than not. The same is true with life. Many signs warn, "No Outlet." We may find ourselves running in circles around blocks with no destination. Many corners can lead to dead ends. We may be lost. Follow the path of God, and follow the "path of life," as verse 11 proclaims.

Read Psalm 16.

Discuss with your family or think and pray on your own: Why is this path the "path of life?" Which way do you walk today?

Close with prayer in thanksgiving to God.
