

Sunday Evening Home Worship Guide

Open with prayer for God's wisdom to be given.

The highways in our community are under a great deal of construction. We navigate detours, closed lanes, new exits, and more while being careful of crews who work very close to traffic. In this place, it's important we see signs, signs that direct us toward safety and away from danger. Beyond any sign that points to Jesus Christ, Jesus Himself walks among people just outside Jericho. Yet, the one who is blind is the one who can see.

Read Luke 18:35 – 43.

*Discuss with your family or think and pray on your own: What does this blind beggar say, and what does he do, once he knows Jesus is present? Why does Jesus ask him what he wants?
Is Jesus now asking you?*

Close with prayer in thanksgiving to God.
